

Mr Litro
6th Grade Social Studies

Class Rules:

Students are expected to bring all needed materials to class on a daily basis.
(Textbook, pen/pencil, notebook, folder)

Students are expected to show respect at all times to the teacher and all fellow students.

Students will keep hands, feet and objects to themselves at all times.

Students will listen to the teacher, or person in charge the first time asked.

Students will stay in their seats unless given permission to leave their seats.

If the student breaks any of these rules they will be immediately disciplined.
(detention, referral, parent phone call)

Homework/Test Policy:

Students will turn in all assignments the day they are due, unless told otherwise.

If the student is absent he or she has one extra day to turn in that assignment.

Students may turn in any late assignments until the end of the quarter they are due.

Students can only make up their assignment if they turn in a “missing assignment request form” along with that late assignment.

This form can be picked up in class or printed from my website.

All tests can be retaken as well. Students must complete a “makeup test request form” in order to do so.

This form can also be picked up in class or printed from my website.
